

# 20 SICK BABIES READY TO START FOR SEA BREEZE

## HANDSOME WOMAN IN GEMS STOLE CAB

Pretty Shopper Owed \$8 for  
Hire and Drove Off  
with Vehicle.

Another Party of Little  
Ones to Be Guests of  
Generous Bachelors.

Twenty Evening World sick babies will leave town for Sea Breeze to-morrow. The children's hospital by the sea will entertain them for a week, and under the watchful care of its corps of doctors and nurses these lucky little protégés of The Evening World's bachelor readers will be coaxed back to health and strength.

Some people think it is selfish to be a bachelor. But if The Evening World bachelors are a criterion, the single men are the most unselfish in New York.

Every day some generous bachelor cheerfully surrenders the \$5 which The Evening World charged its young women readers to levy upon the unmarried men of their acquaintance, and has the satisfaction of knowing that some ailing baby and his tired mother are enjoying a week's rest at the seashore at his expense.

Hundreds of little babies, whose lives had been threatened by heat, impure food and unwholesome surroundings, have, through the contributions to The Evening World's Bachelor Tax, which sent them to Sea Breeze for a week, been restored fresh and rosy to their mothers' arms.

The following letter and contribution have been received for the Sick Babies Fund:

Si from a Baby Lover,  
to the Editor of The Evening World.  
I enclosed find \$1 for the  
Sick Babies Fund.

FROM AN OLD MAID WHO IS A  
LOVER OF BABIES.

Contributions for the Bachelor Tax and the Sick Babies' Fund should be addressed to the cashier of The World, marked, "For the Sick Babies' Fund."

## BIG BABY SHOW TO BE HELD AT CONEY

Over 600 Little Ones, Including  
Two Sets of Triplets and  
Four of Twins, Entered.

Arrangements are being made for a big baby show as one of the end-of-the-season celebrations at Coney Island, to precede the great Mardi Gras festi-

val. The baby show is to be in Steeplechase Park Sept. 6. On that date George C. Tilley will have Sat cars run through Brooklyn, and take up decorated baby carriages. Flat cars will also be at the New York side of Brooklyn Bridge and Williamsburg Bridge. Cars will also return to Brooklyn, but the tilting points they were received at. So far there are two sets of triplets and four pairs of twins among the 600 entries. This year the prizes are offered for all classes. But in the triplet class the prizes are for "triplets or more." It would fair to be a big baby show.
